LANGUAGE REQUIREMENTS

PUCPR does not have a language proficiency requirement. But we suggest that the student have a knowledge in Portuguese or English according to their academic goals.

COURSE LOAD AND REQUIRED STUDENT WORKLOAD PER SEMESTER (CREDITS)

PUCPR has its own credit system and it is important to note that this system only takes into consideration the in-class hours-

Theoretical classes - 20 contact hours = 1 PUC credit

Practical classes - 40 contact hours = 1 PUC credit

Our theoretical subjects can vary from 40 contact hrs (2 hrs per week) to 80 contact hrs (4 hrs per week) and our practical classes can vary from 40 to 144 hrs per semester.

Consequently, a full-time student attending around 360 – 420 hours per semester would get roughly 20 PUC credits, which is equivalent to around 30 ECTS. International students also need to take Portuguese as a Second Language class, which is worth 5 ECTS, therefore a semester at PUCPR is equivalent to around 35 ECTS.

Classes from the English Semester Portfolio follows The European Credit Transfer and Accumulation System (ECTS)

12 hours at PUCPR is equivalent 1 ECTS

SUBJECT SELECTION

Students pre-select the subjects in the application form (study plan), and during the orientation week, the students meet the academic course coordinator to finalize the study plan.
