# CULTURAL ACTIVITIES

## DANCE CLASS

When one think about Carnival, the first image that comes to mind is the one celebrated in Brazil - internationally known for its samba schools, and huge parades. Prepare yourself to sing along the original "marchinhas" and to learn samba moves and Carnival rhythms!

## BRAZILIAN CUISINE

Learn how to cook a diverse menu, considering different regions and Brazilian ingredients. An excellent opportunity to learn some of the secrets of the delicious Brazilian culinary tradition.

## CAPOEIRA

Capoeira mixes martial arts, sports, popular culture, dance and music. Developed in Brazil mainly by descendants of African slaves, it is characterized by gracious coups and agile movements that make it very difficult to distinguish between a fight or a dance!

# TRIPS

## MORRETES AND ANTONINA

Day trip to the historical cities of Morretes (sitting at the slopes of the Sea Mountains) and Antonina (by the beautiful Paranaguá Bay). You will have the chance to taste traditional dishes while being adventurous!

## BURACO DO PADRE AND CACHOEIRA DA MARIQUINHA

Day trip to an ecotourism park at the countryside of Paraná. This is a great opportunity to be closer to the tropical forest!

## FOZ DO IGUAÇU

The magnificent spectacle of these 275 individual drops has awed tourists, locals and indigenous inhabitants for centuries. The falls are located in the Iguazu River that divides Brazil (in the state of Paraná) and Argentina.

## INTERNATIONAL STUDENT'S TESTIMONIALS

"This program was very good! The Portuguese classes were very detailed and clarifying, which contributed to the introduction to this foreign language. Besides that, we had the chance to take dance classes with Brazilian students and to travel to other cities near Curitiba." (Nasna - Université Savoie - Mont Blanc)

"The intensive Portuguese program is an excellent impetus to start the academic exchange. In addition to learning a new language, I discovered wonderful people, an extraordinary culture with a rich and moving history." (Aysu - Université Savoie - Mont Blanc)
